

February 11, 2009

The Board of Assessors has identified 13 properties that have very similar parcel identification numbers which have historically caused difficulties when researching properties. With this in mind, the department has undertaken a project to change these parcels numbers to a more unique number to alleviate this problem. Below is a list of the historical parcel number along with the newly assigned parcel number.

<b>OLD PARCEL ID</b>	<b>NEW PARCEL ID</b>	<b>TAX DISTRICT</b>
16108400064	16108400670	4
16109300014	16109301510	4
16109400054	16109400910	4
16121100174	16121101410	4
16121100274	16121101420	4
16121100394	16121101430	4
17014000024	17014000740	4
