

February 29, 2008

The Board of Assessors has identified 444 properties that have very similar parcel identification numbers which have historically caused difficulties when researching properties. With this in mind, the department has undertaken a project to change these parcels numbers to a more unique number to alleviate this problem.

Below is a list of the historical parcel number along with the newly assigned parcel number.

OLD PARCEL ID	NEW PARCEL ID	TAX DISTRICT
16036500051	16036500480	9
16063100051	16063100880	9
16063700083	16063700600	9
